

Dear Lodgements

We attach a fresh copy of the Form 603 submitted this morning as we understand that the signature did not appear on the version you received. You have confirmed to my colleague, Kenley Chan, that you are aware that the signatures sometimes drop off from the PDF if they are submitted via a virtual fax machine.

We have embedded the signature in this version of the document as instructed by you.

This is a new version of the notice with signature attached to replace the one that was sent today at 11:11am. Please cross-match with our earlier document to ensure this holding is not lodged twice.

Regards
